

2013-2014 Superintendent Blog

August 2014

On August 27th there will be a Levy Election held at the Troy Lion's Community Center. The Levy is a request for \$99,000.00 for improvements on Trojan Drive and for seal coating and striping the schools' parking lots. Improvements of Trojan Drive include the removal and replacement of the existing road surface. For any questions, please contact me at 208-835-3791.

August 28, 2014

The Levy Passed and the work on the Trojan Road will begin during the summer of 2014! A big "thank you" to our supportive community members!!

April 25, 2014:

A community meeting will be held Monday, April 28, 2014 from 6:00-7:00 pm at the THS Library. This meeting is being held to learn about the Supplemental Levy Election that is May 20, 2014.

April 8, 2014:

Dear Community,

The Troy School District is running the Supplemental Maintenance and Operation Levy for \$995,000.00. The levy election is May 20th 2014 at the Lion's Community Center from 8:00 a.m. to 8:00 p.m. This levy is a reduction of \$11,000.00 from the current year. This will reduce your property taxes next year. Please do not hesitate to contact me for any questions. Thank you for your support of Troy Schools!

January 10, 2014:

Happy New Year to everyone! Over the break, we were able to get the clean-up from the flood complete. We had the carpets professionally cleaned to protect against any future mold problems as well as replaced drywall that had been exposed to moisture. Our students are back into their classrooms that were cleaned and repaired by professionals.

Thank you for your understanding and patience during this process!

December 4, 2013:

I would like to congratulate our Trustee, John Menter, for his recent elected position as Vice President on the Executive Board of the Idaho School Board Association. He will continue to serve as our Troy School District Trustee Vice Chair while in his new position. John will be a great asset to the Idaho School Board Association Executive Board.

November 26, 2013:

The semester has zoomed by! The elementary school held their Thanksgiving feast today and we would like to thank the teachers and parents for their help with the wonderful event!

Congratulations to our Football team for going to State! We placed second at state and we are proud of our team for a wonderful season!

Our 8th grade Health class participated in a live question and answer session with Hall of Fame football player Earl Campbell. The content of the discussion focused on character. Mr. Campbell shared many personal examples of how his large family (he was one of eleven children) helped shape his character and develop traits that led to his success. Our students had a great time and were able to ask some very good questions.

Our elementary students were able to Skype with child actor, Dylan Snyder, from the Disney TV show Kickin' It. He talked to the students about bullying and cyber

safety. The children were able to ask Dylan good questions and they enjoyed their time with him.

Senior Project Fair is scheduled Friday, December 20th from 2-4 p.m. in the THS Gym.

Thank you for your continued support and Happy Thanksgiving!
