Notes from the teacher:

I hope everyone had a great and restful spring break. Welcome back!

Reading Logs - Please continue to keep reading twenty minutes each evening. I have challenged the class to start keeping track of their own logs by writing down what they read, capitalizing their book title, and checking in with their parents to initial their log. It is important to foster personal responsibility on these logs.

Bird Houses - Our class has been given the opportunity to make bird houses with Troy community member, Gerry Queener. He will be coming on Friday, April 13 from 12:00pm – 3:00pm to work with the class. If you are interested in being a parent helper for this project, we would appreciate your help. Please email me if you will be able to come. Thank you.

STANDARDS

Math - 2.M.MD.D.10 - The Highly Proficient student can create a survey to collect data, record, organize, and display the data using different types of graphs. They can also create word problems with solutions for each of their graphs. (10 days)

Reading - 2.R.RL.03 - The Highly Proficient student can use a Venn Diagram to compare and contrast the response to major events or challenges of one character to the response of another character. (10 days)

Happy Birthday to:

None this
week
