

5th Grade Newsletter

Mrs. Bohman
Grade 5
April 2, 2018

Standards to Learn in April:

Math:

*The Highly Proficient student can create a line plot to display data and solve word problems involving line plot to interpret the solution as data.

* The Highly Proficient student can create and solve real world, word problems and choose the appropriate measurement.

Science:

* I can develop a relevant question through observations that can be tested by an investigation.

* I can develop predictions based on observed cause and effect relationships.

* I can communicate the results of an investigation orally or in writing.

* I can explain how new scientific knowledge leads to new scientific investigations.

* I can describe how science and technology are related.

* I can describe how Earth's rotation results in day and night.

Writing:

* The Highly Proficient can write a narrative story that includes: characters, setting, plot, sensory details, clear language, and a logical sequence of events.

5th Grade Happenings:

* April 12 & 26- Spelling Packets are due.

*April 16- ISAT testing begins (Please check the schedule emailed to families to see when your child will be testing).

* April 25- Late Start

*April 30- Book Reports are due.

Please continue to check Family Link to monitor your child's academic progress.
