

# 5<sup>th</sup> Grade Newsletter

Mrs. Bohman  
Grade 5  
April 1, 2019

## Standards to Learn in April:

### Math:

\*The Highly Proficient student can create a line plot to display data and solve word problems involving line plot to interpret the solution as data.

\* The Highly Proficient student can create and solve real world, word problems and choose the appropriate measurement.

### Science:

\* We will continue to study the biosphere. We have Steelhead in the Classroom as part of this unit. Unfortunately, sometime on Friday or Saturday, March 29-30, they died. It is a mystery to all of us. They were swimming and eating on Friday and seemed healthy. I am in contact with Idaho Fish and Game to get more fish.

### Writing:

\* The Highly Proficient can write a narrative story that includes: characters, setting, plot, sensory details, clear language, and a logical sequence of events.

## 5<sup>th</sup> Grade Happenings:

\* April 2- **Ag in the Classroom.** The students will learn about dairy farms and they will get to make butter.

\*April 8- **ISAT testing begins** (Please check the schedule emailed to families to see when your child will be testing).

\* April 24- **Late Start**

\*May 15 (No project due in April)-  
**Book Projects are due**

**Please continue to check Tyler SIS 360 to monitor your child's academic progress.**

Please don't hesitate to contact me with any questions or concerns. [abohman@troysd287.org](mailto:abohman@troysd287.org)
