

5th Grade Newsletter

Mrs. Bohman
Grade 5
March 1, 2018

Standards to Learn in March:

Math:

- * Benchmark Test
- * The Highly Proficient student can use real-world data to create a representation and draw conclusions based on the data presented.
- * The Highly Proficient student can generate two numerical patterns using multi-step rules and explain their relationships between corresponding terms.

Reading:

- * Benchmark Test
- * The Highly Proficient student can analyze complex cause and effect relationships and interactions between individuals, events, or ideas, providing evidence based on specific information in the text.

Science:

- *I can develop a relevant question through observations that can be tested by an investigation.
- *I can develop predictions based on observed cause and effect relationships.
- *I can identify possible relationships between variables in simple investigations.
- *I can describe the forces of gravity and force.
- *I can demonstrate how an object's motion is effected by variables.

Social Studies:

- *I can describe factors leading to the Civil War.
- *I can identify the reasons certain events were important to the Civil War.
- *I can describe how specialization improves standards of living

5th Grade Happenings:

The end of the 3rd Quarter is March 8. Parent Teacher conferences are the evenings of March 6 and March 7. I sent conference scheduled times home yesterday. Please return it by tomorrow and let me know if the time works or not. I look forward to seeing you for conferences. The students continue to impress me with how hard they are trying and the many things they are learning! Please don't hesitate to contact me with any questions or concerns. abohman@troysd287.org

- * March 2- All Day Read-In (Students can bring a pillow, a blanket, and reading materials from home. They may also bring snacks to enjoy during reading. I will provide popcorn.)
- * March 6 & 7- Evening Parent/Teacher Conferences
- * March 8 - Early Release
- * March 9- No School
- * March 26-30- Spring Break

Please continue to check Family Link to monitor your child's academic progress.
