Dear Families,

Having a positive learning environment is a key factor to student success. Children need to learn how to behave in a way that maximizes their learning time. To help encourage positive behaviors, we will be using a clip chart in our class. Here it is!

 I am being a ROLE MODEL to others.
I am being KIND and thoughtful. 
 I am making GOOD choices.
I am doing my BEST to learn. 
 I can make BETTER choices.
I can IMPROVE my behavior. 
I can TALK about my behavior.

In our class, students will be encourage to do their best to learn, make good choices, and be kind and thoughtful. Students who are not doing their best, will be reminded that they CAN make the changes needed to turn their behavior around.

Sincerely,
Mrs. Heath
