

Edward Ramsdale Application to Request Previously Awarded Funds

Purpose

The purpose of the continuing education application is to give students who did not use their Ramsdale Scholarship within the required 2 years the opportunity to reapply for the funds.

Qualifications

Troy High School graduates must meet the following qualifications to receive funds:

- Applied for and awarded the Edward Ramsdale Scholarship during their senior year.
- Complete the application for Continuing Education
- Provide appropriate documentation.

Type of Request

Your application will require you to choose which type of request you are making. If you are currently attending or planning to attend an accredited institution, you will need to request “Previously Awarded” funds. If you have completed a program from a non accredited institution, you will need to request “Reimbursement”.

Application

To apply, please submit a formal letter of request that includes the following information:

- Your name and year of graduation
- Why you were unable to use the funds when they were awarded
- Your current plans and why you need the scholarship money
- All supplemental information

Supplemental Information

Please include the following information in your application for continuing education funds:

- Copy of current enrollment at an accredited institution
- Copy of current class schedule
- Copy of current tuition bill

Please note that funds will be sent directly to the educational institution.

Please mail all information to:
