What's Happening:

Happy May! It's hard to believe we are nearing the end of the 4th quarter. I'm so proud of these kindergartners and have cherished every moment. These students have learned their letter names & sounds, counting forward and backwards, addition & subtraction, and are starting to write their own storybooks. Keep up all the great work, Mrs. Heath is so proud of all their accomplishments.

ABC Letter Sounds & Names & Sightwords.

Keep practicing saying letter names and sounds at home. Work on how many sounds they can get in one minute for fluency. I highly encourage students go through these cards multiple times a week. Keep working on Q1, Q2, Q3, and Q4 words. I highly encourage students go through these cards multiple times a week.

Monthly Reading Log:

Continue reading with your child for at least 30 minutes a week throughout the summer.
