Dear Nurses, School Administrative Staff, Kitchen Staff and parents,

The Food Service Department is pleased to introduce My School Menus™ interactive menus Mobile App. My School Menus™ allows easy access to complete nutrition information for the school meal programs 24 hours a day, 7 days a week, 365 days a year.

### Features of My School Menus™ Mobile App

- Nutrient Data by Menu item - clicking on a menu item will show nutrient data
- Ingredient information for certain menu items
- Complete list of all food choices available to students
- Allergen identification - allergen filter to strikethrough foods containing the following allergens: wheat, soy, eggs, fish, peanuts, tree nuts, milk
- Attribute identification - symbols identifying foods as GMO free, kosher, gluten-free, vegan, vegetarian, locally grown, made from scratch
- Translation to 180 languages using Google Translate
- Ability to link to Child Nutrition sites like prepayments, applications and policies
- Information about Child Nutrition
- You can download My School Menus™ Mobile App in the iTunes Store or the Google store.

The Food Service Department is excited to offer My School Menus™ Mobile App as a valuable nutrition resource. Please let us know if you need any additional information on how to use this information to support your students' specific nutrition needs.

Regards,

Kendra Grove
