

December 6, 2017

Dear Parent/Guardians,

Here's what's happening in First Grade!

**Homework-** Please spend 20-30 minutes on homework with your child each night. Then fill out the homework log sent home in Wednesday Folders.

**Winter Solstice Soup-** On Tuesday, December 19 we are having a "Winter Solstice Soup" with kindergarten and second grade. Each student will need to bring something to contribute to the soup. There will be more information coming home on what your child needs to bring.

**Standards-**

**Reading/Writing**

1. Identify the vowel sounds and distinguish whether each is long or short
2. Correctly write the segmented syllables in a multi-syllable word, identify the vowels , and read the words

**Math**

1. Use fact families to add and subtract facts greater than 10
2. Create and solve an equation with a missing number containing three or more digits and explain their steps
3. Use properties of operations as strategies to add and subtract

Your child is making great progress! Please feel free to contact me with any questions or concerns. Phone-(208)835-4261 email-[jrenfrow@troysd287.org](mailto:jrenfrow@troysd287.org)

Thank you!

Jessica Renfrow
