

6th Grade-Tibbals

December 1- December 20, 2018

December News

I can statements:

Science: I can understand and observe the states of matter: liquid, solids, and gasses

Social studies: The political geography of the United States.

Math: I can write and evaluate algebraic expressions for real-world contextual situations.

I can create and solve an algebraic equation or inequality from a word problem and then justify my answer.

Reading: I can use text evidence to support inferences.

I can analyze an author's point of view and purpose in a text and provide evidence to show how it is conveyed.

I can analyze how an author develops the point of view of the narrator or speaker in a text, citing evidence to support the analysis.

Writing: I can write informative/explanatory text to thoroughly examine a topic or idea.

I can improve my writing through revision and editing with my peers or adults.

I can gather information from multiple sources and provide basic bibliographic information.

Steps to Respect (Lesson 4):

I can recognize what bullying is, how to problem-solve and determine if it is safe to refuse bullying by speaking out, and how to report bullying.

Exploring Liquids

December 20st Winter Festival: The whole school will be participating in a rotation featuring science activities, art, a sensory stations, dancing, Bingo, and more. The Sixth grade students will be the leaders of each station, guiding and instructing students for each activity. I am very excited to see them shine as excellent role models and leaders. Sixth grade will also have a small holiday celebration in the classroom from 2:00-3:00. Students are welcome to bring treats (from the handbook) to share with their classmates. We will watch, Rudolf the Red Nosed Reindeer- New Year (G) and complete art projects.

December Book Reports: There is NO book report for the month of December!

Let me know if you have any questions or comments!
