
February 7, 2019 to February 28, 2019

Mrs. Tibbals 6th Grade

Social Studies: I can learn about the culture, terrain, geography, government, and economy of Mexico, Central America and the Caribbean.

Science: I can use the engineering process to plan and build different devices based on the problems presented while working as a team.

Reading: I can trace and evaluate the argument and specific claims in a text; then analyze how the reasoning and evidence supports or does not support the claim.

I can analyze the meaning of figurative, connotative, and technical meanings of words and phrases in a text.

Writing: I can write functional text that is appropriate to task, purpose, and audience.

Math: I can recognize real-world problems when two ordered pairs differ only by sign, and then the locations are related to reflections over one or both axes.

I can solve real world multistep geometric problems including decimal and fractional measurements.

I can solve real world problems by finding surface area for three-dimensional figures using nets with fractional edges.

I can find the missing side length of a right rectangular prism given a volume and fractional side lengths.

Steps to Respect: Lesson 6- Refusing Bullying

Read Aloud: The Witches by Roald Dahl, My Side of the Mountain by Jean Craighead George

Important News

If you ever need to contact me or would like to visit about any concerns or classroom happenings I will always make time to visit with you. You can call (208)835-4261 or email at ctibbals@troysd287.org.

Conferences are coming up on March 5th and 6th

FIELD TRIP: 5th and 6th grade students are climbing on the bus **Friday, March 1st** and heading to Pullman, WA to participate in this year's Festival Dance sponsored event: Young Irishers. Before heading back to TES, students will make a stop at The Palouse Discovery Science Center. ALL STUDENTS NEED TO BRING A LUNCH. Sack lunches can be ordered through the Trojan Café for regular lunch prices.

If you would like to join us for the day, please let me know by phone or email.

Silverwood Reading logs: Students brought home reading logs to earn FREE TICKETS to Silverwood this summer! Return the forms by February 22nd or before, once students have completed 10 hours of reading time. This can be family reading, independent reading, and the same reading done for class homework assignments!

Valentine's Day Info: 6th grade will **NOT** have a class party or exchange valentines this year. We are planning a project that will bring smiles to the Troy community in the form of love rocks, inspired by Anna and Abby (www.love-rocks.org).

-If you have oodles of river rock at home and would like to donate them to the class, send them along! We'll put them to good use.
