
November 1, 2016– November 30, 2016

Mrs. Tibbals 6th Grade

Social Studies: I can learn about the cultures, geography, governments, and economy of Mexico

Science: I can describe how scientific innovations have revolutionized modern ways of thinking.

I can describe how scientific understanding changes in response to new information and discoveries.

Reading: The Highly Proficient student can apply strong textual evidence in supporting a complex inference or analysis of the text.

The Highly Proficient student can analyze the meaning of words and phrases, including figurative and connotative, and evaluate the impact on meaning and tone.

The Highly Proficient student can articulate why the author includes a particular sentence, chapter, scene, or stanza in a text, and analyze how it affects the overall structure and contributes to the development of the theme, setting, or plot

Writing: I can write informative/explanatory texts to examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant content.

I can produce clear and well- developed writing in which the development, organization, and style are appropriate to task, purpose, and audience.

I can conduct research projects, drawing on several high-quality, credible sources, uses standard citation format, and avoids plagiarism.

Math: I can solve an equation or inequality to choose or create a set of values that make the equation or inequality true.

I can create and solve a one-step equation to represent a real-world problem.

I can identify and create algebraic expressions involving rational numbers for real-world problems.

Innovations and Inventors

- 6th grade students are researching and presenting about a famous inventor in history. They will also brainstorm and create an imaginary invention of their own, designed to impact our world for the better or fill a need they see in their own life or community.
- We will be learning about all kinds of inventions and innovations happening in the world now.

Important News

Conferences: It was so great to meet with everyone last month! We had 100% of 6th grade families come in for conferences. Many students attended and were able to be part of the conversation. I am excited to do student-led conferences in the spring.

If you ever need to contact me or would like to visit about any concerns or classroom happenings, please don't wait for conference time. I am always available. You can call (208)835-4261 or email at ctibbals@troysd287.org.

FamilyLink: Please use FamilyLink to access your student's grades and stay up to date on assignments. If you need this login information again, please let me know and I will get it to you immediately. **If assignments are not showing up correctly please let me know.**

Read-In on November 9th: 6th grade will be having a read-in to celebrate National Young Readers Week! Students may bring pillows, blankets, and individual snacks. Please select items from the list in the handbook to keep everyone safe. I will have some snacks available to the whole class. Comfortable clothing is allowed, but all students are expected to go outside to recess and participate in all other school activities throughout the day.
